This packet contains all of the documents you will need to apply for a graduate registered physician license to practice medicine or osteopathy in Arkansas. This packet and each of its components are available on our web site, www.armedicalboard.org. If you received this packet from a source other than directly from the Arkansas State Medical Board or its official website, the application may be outdated or not an official version. Please be advised that outdated or unofficial versions of the application will not be accepted.

*** IMPORTANT INFORMATION - PLEASE READ CAREFULLY ***

ABANDONED APPLICATIONS. Applications which are not complete after twelve (12) months will be classified as Abandoned and will be removed from our system. Further, pending applications will be listed as abandoned if the applicant does not communicate with the Board office for six (6) months. Abandoned files will be maintained for 30 days and then destroyed. No refunds will be given on abandoned/inactive applications.

APPEARING BEFORE THE BOARD. For your application to be placed on the Board Meeting agenda, it must be complete and all required documentation, including staff investigations, must be in this office. THERE ARE NO EXCEPTIONS TO THIS POLICY. Before being granted a license, you and your supervising physician will be required to make a personal appearance before the Board. You will be notified of the time and date of your appearance prior to the next scheduled Board Meeting.

APPLICATION FEES. The fee for graduate registered physician medical licensure is $500.00 ($400 application fee plus $100 Centralized Credentials Verification Service (CCVS) Assessment). Payment must be made by a single check or money order, made payable to Arkansas State Medical Board.

APPLICATION REVIEW. The application review process is defined by the requirements set forth in state law. The Board and its staff must comply with those laws in processing applications. Applications are processed in the order in which they are received in our office and in the order verifications are obtained. THE BOARD DOES NOT ACCELERATE ONE APPLICANT OVER ANOTHER.

ARKANSAS MEDICAL PRACTICES ACTS AND REGULATIONS. The Arkansas Medical Practices Acts and Regulations must be read in their entirety prior to submitting an application for medical licensure to the Arkansas State Medical Board. You MUST complete the Rules & Regulations Affidavit located in this packet. The Medical Practices Act and Regulations can be viewed on our web site, www.armedicalboard.org.

CENTRALIZED CREDENTIALS VERIFICATION SERVICE (CCVS). Act 1410 of 2003 mandates physicians, clinics, hospitals and other healthcare organizations, managed care organizations, insurers or health maintenance organizations, and all other organizations credentialing physicians in Arkansas to use the CCVS to obtain credentialing information. The CCVS is an NCQA-certified credentials verification organization. When you apply for medical licensure in Arkansas, you are also enrolling with...
the CCVS. There are no additional steps for you to take; your file will automatically be rolled over to CCVS once your license is approved. Participation in CCVS is not optional; it is state law.

**CHANGE OF ADDRESS.** Regulation 33 requires you to notify the Arkansas State Medical Board of any changes to your address within 30 days of such change. This includes your relocation to Arkansas, if applicable. A Change of Address form is available for download at our website, www.armedicalboard.org. THIS ADDRESS CHANGE MUST BE IN WRITING. The form must be fully complete, signed and dated. Once you are licensed, you may change your address online.

**CHECKING THE STATUS OF YOUR APPLICATION.** The Arkansas State Medical Board's required form of communication is an interactive Applicant Portal system that allows communication between us via the web. We have found that this system is a very effective communication tool and significantly reduces the time to licensure. You may access the Applicant Portal system from any computer at any time by visiting the Medical Board's web site at: http://www.armedicalboard.org once your access identification has been assigned.

When using the system, you will see a status bar which will show the percentage completed of your application process. Additional information regarding items that need your attention will be provided to you via a “Click here to respond” link on the “Applicant Portal Home” page. You will need to access your open items by choosing this link and providing a response to the items for which a response is requested.

This interactive system allows the licensing coordinators the time necessary to work your file as opposed to responding to numerous phone calls or e-mails from various interested parties checking on the status of your application. It also allows you to review the progress of your application at any time. You may wish to provide access to your application data to anyone whom you chose; however, once you allow this access, all communication in the system will be viewable. This means that all questions including health or disciplinary issues occurring in other states or institutions will also be viewable.

After all verifications have arrived, your file will be checked to ensure all time gaps have been accounted for in your time line. If they are not, you will be asked to document your activity during those specific times. Although this seems insignificant, it is very important to the Board and to its Centralized Credentials Verification Service (CCVS) certification. This step cannot be skipped.

Once all verifications have arrived and all time gaps filled, your application file will be presented for licensure consideration.

Due to the fact that the Arkansas Board has a state-mandated Credentials Verification Organization (CVO) which provides licensing information to all hospitals, insurance companies and other credentialing organizations, it is necessary for your current work history verifications to be re-verified every 120 days. This statement is to demonstrate to you the urgency to provide the information in a timely manner; otherwise the process is delayed during reverification.

**COMPLETING THE APPLICATION.** READ THE INSTRUCTIONS FOR EACH QUESTION BEFORE ANSWERING. The application may NOT be submitted electronically, as we do require your original signature on the hard copy. Please print legibly in dark blue or black ink. Provide exact dates (mm/dd/yyyy) whenever possible. ANSWER ALL QUESTIONS/SECTIONS, even if your answer is “n/a,” “Not Applicable,” “None” or “Pending.” All signatures must be the applicant’s; stamped signatures, signatures by proxy, and signatures by power of attorney are NOT accepted for documentation or verification purposes. Make sure all required seals are affixed on the application, all questions have a response, and all documentation has been certified. Your application and verifications will be returned to you if they are incomplete or if photos are not attached where required. Pages must be printed on one side only. Two sided (front and back) applications will cause delays due to pages needing to be resubmitted.
CRIMINAL BACKGROUND CHECK.  Act 1249 of 2005 authorizes the Arkansas State Medical Board to conduct criminal background checks (both state and federal) on ALL applicants for licensure. Arkansas Code 17-95-306 states:

(a) (1) Beginning July 1, 2005, every person applying for a license or renewal of a license issued by the Arkansas State Medical Board shall provide written authorization to the board to allow the Arkansas State Police to release the results of a state and federal criminal history background check report to the Board.

(2) The applicant shall be responsible for payment of the fees associated with the background checks.

Upon receipt in this office of your completed application and fee, a CBC packet, including forms and instructions, will be sent to you for completion. You need to complete and return these forms at your earliest convenience. The Federal portion of this background check can take 4-6 weeks or more to process. ASMB will NOT accept a previously obtained criminal background check, regardless of how recently it was performed or what organization provides it. Payment for the CBC must be made by money order. Complete instructions will be provided in the CBC packet. It is imperative that the completed CBC packet be returned to the Board in a timely manner as failure to do so will delay licensure.

FCVS. The Federation Credentials Verification Service (FCVS) is a service provided by the Federation of State Medical Boards (FSMB). It is NCQA-certified for credentials verification and meets The Joint Commission’s ten principles for a primary source verified credentials verification organization. FCVS staff uses primary sources to verify a physician’s identity, education, training, and more, and creates a permanent profile of the verified credentials. The profile can be updated as needed throughout a physician’s career and sent to boards and other entities without the need to verify each item again.

If you are using FCVS for credentials verification, do not provide a copy of your driver’s license or passport, or a copy of any name change documents to the Board. Also, do not request examination scores/transcripts, verification of medical education and official transcript, or verification of postgraduate training to the Board. FCVS will provide these verified credentials to the Board on your behalf.

To use FCVS, visit http://www.fsmb.org and select “FCVS” from the Sign In menu in the upper right corner. Sign in and continue as directed. Complete an Initial Application if you are using FCVS for the first time. Complete a Subsequent Application if you need to update your existing FCVS profile. During the application process, designate your profile to be received by the Arkansas State Medical Board. The Board will not accept any FCVS profile with a Self designation. For assistance, contact FCVS through the messaging tool within FCVS, or call 888-275-3287 with your FCVS ID number.

FOREIGN LANGUAGE DOCUMENTS. All foreign language documents submitted by applicants and verification sources must be accompanied by a translation into English by an official translator. Documents received without an official translation will be returned to the applicant for forwarding to an official translator. The translated document must then be returned to the Board directly from the translator.

PROCESSING TIME. Processing delays are almost always attributable to lengthy work histories and delays in receiving the verification documents you request. If you have a history of malpractice, disciplinary action, impairment history, etc., additional time will be required for our investigation. Processing a permanent license application will take several weeks to complete. Please plan for this. Do not make commitments, purchase a home, or relocate your family before your license has been granted. Applications are processed in the order in which they are received in our office and in the order verification documents are provided. The board does NOT accelerate one applicant over another.

SUBMITTING THE APPLICATION. The application may NOT be submitted electronically or by fax, as we do require your original signature on the hard copy and all fees to be paid at submission.
**SUPERVISING PHYSICIAN.** By law, Graduate Registered Physicians are allowed to practice only under the direct supervision of a licensed physician. It is the responsibility of the GRP to keep this office informed of your current Supervising Physician.

**TEMPORARY PERMITS.** Temporary permits are not available to graduate registered physicians.

**TIME GAPS.** ALL time gaps of 30 days or more since the start of medical school must be explained in writing. You will be notified of any unexplained time gaps and asked to provide an explanation. To avoid processing delays, please include a separate signed explanation of any time gaps of 30 days or more with your original application. Failure to address time gaps may result in delay of licensure.

**U.S. POSTAL SERVICE.** If you choose to utilize the U.S. Postal Service, please be advised that they do NOT guarantee delivery of first class mail, and they do NOT guarantee delivery of Certified mail. Based on the lengthy delays experienced in receiving mail that has been sent to this office, it is strongly recommended that you utilize FedEx, UPS, or other *guaranteed* delivery service when sending your application or other documents to the ASMB. It is further recommended that when sending verification requests to primary sources, you provide them with a prepaid FedEx, UPS or other delivery service envelope to ensure that their correspondence reaches this office in a timely manner and for your tracking purposes.

**VERIFICATIONS.** It is the policy of this board that ALL medical education and other activities since medical school be verified by the primary source prior to issuance of a permanent license. It is the applicant’s responsibility to request verifications and to follow up with organizations to ensure verifications are returned. All verifications can be faxed or e-mailed unless specifically requested to be mailed. To fax, send to (501) 296-1972. TO E-MAIL, THE DOCUMENT MUST BE SENT AS AN ADOBE .PDF ATTACHMENT TO support@armedicalboard.org with “Attn: Licensing” in the subject line. Note that if the attachments are not sent in this format and to this address, they will be stripped by the firewall and will not be received by the intended recipient.

**WITHDRAWN APPLICATIONS.** Applications that are withdrawn by the applicant will be maintained for 30 days and then destroyed. No refunds are given on applications that are withdrawn.

**“YES” RESPONSES.** A “Yes” response in the attestation portion of the application does not mean your application will be denied. If you have responded “Yes” to any of these questions, additional time will be required for the gathering and assessment of pertinent information. You will be required to provide a separate, signed and complete explanation for each “Yes” response; you can expedite this process by including these with your original application. Failure to appropriately answer questions may result in an appearance before the Board for full licensure; disciplinary action; and/or denial of a license.

OVERVIEW AND HISTORY

Overview: Licensure in Arkansas serves a dual purpose in that, once licensed, the application also rolls specific information into the credentials verification organization (CVO) called the CCVS. Arkansas is unique in that no other state has a CVO attached to the state medical licensing authority. Once licensed in Arkansas, the CCVS will maintain a physician’s credentialing information. Although this does not replace applications for credentialing privileges, it does alleviate the duplication of paperwork during the credentialing process. Any organization credentialing an Arkansas-licensed physician for Arkansas is required by state law to purchase specific information from the CCVS. An annual profile listing the information that will be made available, upon the physician’s written authorization, to specific credentialing/healthcare organizations, is mailed to each physician with the annual state license renewal packet. By Act 1410 of 1999, physicians are required to review their printed information, complete and return the designated CCVS profile pages with any amendments/changes or additions legibly marked, adding a current copy of their curriculum vitae (CV), so new information in their CCVS file can be verified and updated in a timely manner.

The following information is released to credentialing/healthcare organizations only with the physician’s written authorization:

1. Education
2. Work History
3. License Information (AR & all others)
4. Federation/Medicare/Medicaid* #’s
5. Address & General Information*
6. AMA/AOA Information
7. Criminal Convictions Alert*
8. ECFMG Information (if applicable)
9. Specialty Board/Board Certification
10. DEA (Federal/State)
11. Military History
12. Current Malpractice Policy Info
13. Board History Excerpts
14. Special Condition Alert (mental/emotional, physical, drug/alcohol)*

*Reported and provided by the Physician.

The CCVS does NOT provide the following:

1. Competency information.
2. Criminal background check information, unless the Board takes action as a result of anything found in the background check.
3. National Practitioner Data Bank (NPDB) search info or details, unless action is taken by the Board as a result of anything found in the report. Only an “alert” indicator is provided to credentialing organizations. They must pull their own NPDB search report.
4. Peer Review or Recommendation information.
5. Continuing Medical Education (CME) breakdowns, other than the info found on the attestations. The Board requires and randomly audits for 20 annual CMEs but requires physicians to attest to completion between random audits.
6. Malpractice Claims History, other than information found on the attestations provided to the organizations. No claims history detail is provided.
7. Limitations on insurance coverage.

Organization’s Credentialing Packages: The CCVS is certified by the National Committee for Quality Assurance (NCQA), which is the agency that certifies credentials verifications organizations (CVO) for managed care organizations and other insurers. Although the CCVS cannot obtain accreditation for The Joint Commission as a healthcare organization, the requirements are continually met to assist those organizations being surveyed under The Joint Commission standards. The information those organizations collect based on their individual medical staff bylaws, and not provided by the CCVS, complete the credentialing package when combined with the information provided by the CCVS.
The data in the ASMB web site is provided, controlled and maintained entirely by the Arkansas State Medical Board (ASMB) and is not modifiable by any outside source.

On-Line Arkansas License Verifications: The ASMB provides current data extracted from the ASMB’s database and constitutes a primary source verification, whether from the free public site or the secure site for detailed verifications.

Board Actions/Notices: Any action or a physician’s license is posted to the Board’s website under BOARD NOTICES as soon as the action is made and can be accessed by the public at no charge.
CONTACT THE APPLICABLE ORGANIZATIONS’ WEB SITES TO REQUEST THAT THEY SEND THE REQUIRED VERIFICATIONS TO:
